Dear Mr Miller

Thank you for the excellent First Aid Courses you conducted at The King's School this year. As an Instructor to our Gr 12's and the group of 15 teachers, positive feedback has been received about your animated method of teaching.

You are a gifted teacher as you are able to transform theory into illustrative practical application. What you taught will remain in the minds of your students because of the real life examples that you share. Your wealth of knowledge is evident from what you impart and we found it both helpful and inspiring. You like to challenge and out-think the situations, which stimulates thought regarding emergencies and crisis management.

Thank you for being so punctual and well prepared for all of the sessions. We also noted that you were willing to go the extra mile for anyone, and have very good people skills. Your positive, friendly manner is contagious. You are very articulate and able to think quickly on your feet.

Thank you for your professional approach and the passion with which you conduct your training. We look forward to booking many more training courses over the next number of years in anticipation that what is taught will make a difference to someone's life.

Thank you for your commitment to serving the community.

Kind regards,

Mrs Jenni Joubert  
Principal

Mr Charles Martin  
CEO

Mrs Lyn van Blerk  
Event Co-ordinator
