

To whom it may concern,

On behalf of Hunter Hotels and Marataba Safari Company, I would like to confirm our involvement with Smart Solutions over the past 5 years.

Smart Solutions has conducted both first aid and fire fighting courses at the lodge during this time. All training was done in a professional and effective manner. Safety was paramount and Smart Solutions ensured that all our staff were well briefed and instructed.

We would highly recommend the team at Smart Solutions and please contact me at Hunter Hotels for any further queries.

Kindest Regards

Julie Smith
