

Andrew,

I would like to take the time to put pen to paper with regards to our Level 2 - First Aid Course.

I can only say that this is the best Investment I have ever motivated Management to spend on their staff and GUESTS.

The high standard, professional and passionate manner in which the training was conducted – was nothing short of AWESOME and INSPIRING.

S.M.A.R.T adds to the FGASA Levels of standards and professionalism, and I am happy to have my Rangers not only FGASA accredited, but also S.M.A.R.T trained.

If only one of us has the privilege to save a life.....Andrew the recognition and thanks of that person will be yours.

Sincerely
