17th September 2012

To whom it may concern,

Zululand Walking Safaris have been using SMART Solutions for a number of years. They are a very professional company and we have been very happy with everything they do.

The courses are done in a very constructive to the point style that keeps your attention. I have been trained myself by Andrew Miller from SMART and it is one of the few times that I have enjoyed going on a 1st Aid course and learnt something. I would highly recommend SMART as trainer and would not hesitate to use them again in the future.

A sister company of Zululand Walking Safaris is Leopard Mountain Game Lodge and they too only use SMART Solutions. Both companies recommend SMART to all their employees for future training.

If you have any questions I can be reached on 076 412 1131.

Regards

Ivor van Rooyen
